Our community initiatives

Skilling

Through a holistic vocational skill training program 'Disha', individuals from disadvantaged communities are trained in sales, service, rural entrepreneurship, construction, manufacturing and technical training. Through Disha, Godrej Enterprises Group has empowered 1,50,000 individuals, across 23 states. These individuals will in turn pay it forward by being meaningfully engaged in the economy and become an example for other individuals in their communities to emulate.

Environment

The Godrej Enterprises Group has always put the planet before profit. Some of the key highlights of the Godrej Enterprises Group's sustainability journey so far are:

- Trusteeship and conservation of over 525 species of fauna and 16 different species of mangrove flora for the past 80 years. The mangroves in Vikhroli are thrice the size of New York's Central Park and responsible for exhaling 4 times more oxygen than any other tropical forest and has been responsible for significantly reducing air pollution levels in the city of Mumbai.
- Godrej Enterprises Group is water-positive and has returned 4.4 billion litres of water to our planet.
- Godrej Enterprises Group is 75% more efficient in its energy productivity and utilisation of natural resources for the amount of energy consumed;
- Godrej Enterprises Group emits 45% less carbon through renewable energy solutions; and
- Recycling and reusing industrial waste has translated to no waste being sent to landfills.

Community-based

23% of Godrej Enterprises Group's shares are held by the Pirojsha Godrej Foundation which is a philanthropic foundation. The Godrej Enterprises Group, through its foundation and CSR efforts, uses an integrated approach to sustainable community development by focussing on three pillars:

- Education and livelihood enhancement
- Health and sanitation
- Environmental conservation
